## MEASUREMENTS:

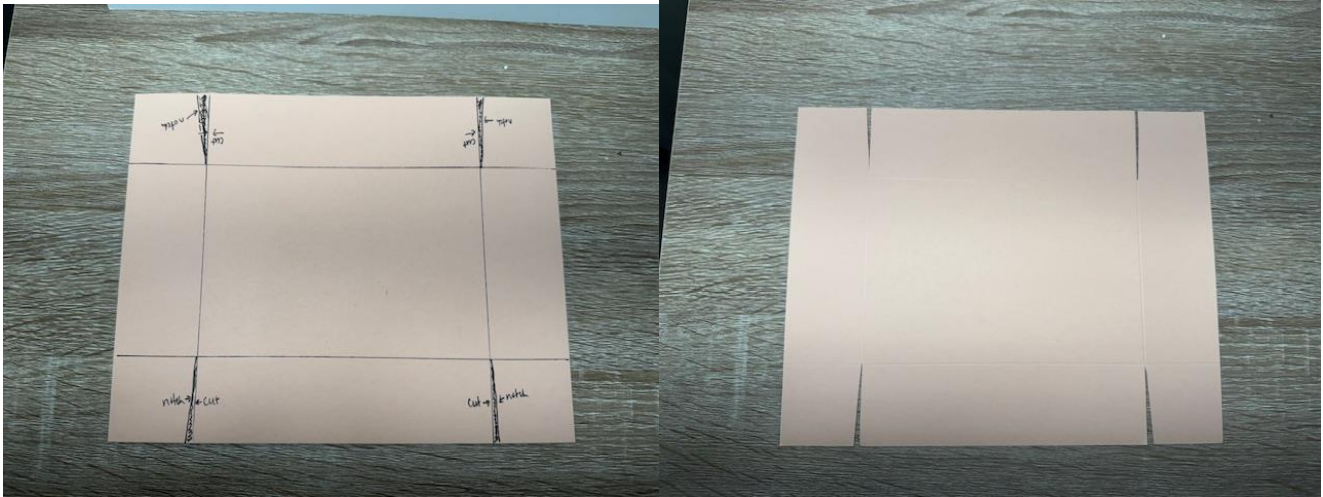

- Petal Pink cardstock:
  - Box Bottom: 8 7/16 x 6 11/16
  - Box Top: 8 ½ x 6 ¾
  - Extra for cards (see individual card directions)

- Country Woods DSP sheet -- Cut a 6 x 6 piece, and from the other section, cut a 4 x 12 piece (see individual card directions for more measurements)

### **INSTRUCTIONS - GIFT CARD BOX:**

#### **Box Construction:**

- Score both box pieces at 1 ½" on all sides.
- Cut into each corner piece (doesn't matter long side or short side) and create a notch into the corner square (not the side):

- Using bone folder, burnish all score lines.
- Add Tear & Tape or Seal Plus to each of the four tabs on both the bottom and top pieces, you want to add adhesive to the outside of the tab, so turn the piece over, add your adhesive, turn back over and adhere the tab to the inside of the box sides.

- One piece is slightly smaller than the other – that is the bottom of the box, and the larger piece is the top.

### Belly Band:

- For the Box Band: take the 4 x 12 piece of DSP and place the center of the strip on top of the box, wrap around the box pinching at each edges, and ending with a small overlap on the bottom of the box. Add Tear & Tape to that overlap and rewrap around the box and adhere band together. Note: the band should be loose enough that the recipient can pull it off to get to the cards inside!
- Wrap about a yard of linen thread around the band and tie a bow.
- Stamp greeting and floral burst on the large Crumb Cake circle in Night of Navy. Add color to the flowers and leaves with your watercolor pencils. Add circle to band using dimensionals. Note: be sure to not adhere circle to the box – only to the belly band.

### INSTRUCTIONS – 4 CARDS:

#### One-Sheet Wonder and Overall Card Prep:

- Prepare the 6 x 6 piece of DSP so you can make the 5 cards:
  - Cut the 6 x 6 into four, 3 x 3 squares.
  - Leave one square as-is
  - Cut one square at 1" so you are left with three, 1 x 3" strips
  - Cut one square in half and then in half again to leave you with four 1 ½" squares
  - Cut the last square in half on the diagonal.
- Stamp an image from the stamp set on the back of each envelope flap.
- Fold and burnish the edge of the four notecards.

### Card 1: So Lucky to Know You

- Using the leftover piece of DSP that measures 2 x 12, cut at 5" and adhere to the card front (Woodgrain side showing).
- From one of the two leftover Petal Pink pieces from making your box, cut a pink square that measures 3 1/8 x 3 1/8.
- Adhere 3 x 3 DSP square to it (with Pool Party grain on top). Add 12" of linen thread and adhere to card front.
- On round label, stamp greeting in Night of Navy and stamp small flower in Crumb Cake. Adhere to card front with dimensionals.

### Card 2: Sending Love (squares)

- Cut a 3/4 x 5" strip of DSP from the leftover large piece of DSP and adhere to card base.
- Cut four 1 5/8" squares from the Petal Pink cardstock. Adhere Pool Party grain squares to the Pink squares and adhere those to the card front.
- On round label, stamp greeting in Night of Navy and stamp leaves in Crumb Cake.
- Make large bow from 12" of linen thread and adhere to the back of the center of the label with a Mini Glue Dot.
- Adhere to label to card front with dimensionals.

### Card 3: Best Friend Ever

- Cut three strips of Petal Pink cardstock measuring 1 1/8 x 3 1/8 each. Adhere Pool Party grain DSP pieces to the pink strips and adhere to the card front.
- Cut a 1/2 x 5" strip of DSP from your final leftover DSP piece. On the crumb cake side, stamp greeting in Night of Navy and stamp small image in Crumb Cake.
- Using 6" of linen thread, make small bow and adhere to Crumb Cake strip with Mini Glue Dot.
- Adhere sentiment strip with dimensionals.

### Card 4: With Heartfelt Sympathy

- Cut Petal Pink square measuring 3 1/4 x 3 1/4 and cut on the diagonal. Adhere DSP diagonals to the pink layer, and adhere that to the card front in the corners.
- On round labels, stamp greeting in Night of Navy and stamp leaves or flowers in Crumb Cake.
- Adhere circle to card front with dimensionals.
- Make bow from 6" of linen thread (or if you have 12" of thread left, you can double it up for a double bow) and tuck under circle with Mini Glue Dots.
